

Dr. Kenneth Hammonds, *The Success & Leadership Coach* - PRESENTS:

“I Understand You - Now!”

(A dynamic church staff, human relationships program)

PASTOR: “If I could show you how to increase volunteer and church staff motivation and reduce conflicts, would you be interested?” **WELL, I CAN!**

BRING THIS PROGRAM TO YOUR CHURCH OR ORGANIZATION

- ❖ **Increase your team building**
- ❖ **Reduce staff conflicts among volunteers and paid staff**
- ❖ **Increase motivation to serve the church**
- ❖ **Get a clearer understanding of people and human relationships**

This insightful workshop, *“I understand you - now!”* will help people to reduce conflicts, increase staff unity, and foster understanding of one another.

A **20-minute session on the phone** with you can bring this exciting workshop to your church. Bring it NOW! You’ll begin to reduce staff conflicts through understanding and commitment. And you’ll watch your staff be more understanding, more skilled in resolving conflicts, more excited about their strengths, and better communicators who bring out the best in others.

FLEXIBLE WORKSHOPS:

Half-Day (3 hours) or Full-Day (5 hours) Workshops are available.

BENEFITS FOR THE PARTICIPANTS; THEY WILL:

- Discover their Personality Type with their own professional DISC personality profile analysis workbook
- Discover their Unique Behavioral Blend
- Get insights into reducing conflict, understanding their boss (that’s you!), relating to difficult people, parenting, and leadership
- Learn how to better use their strengths and avoid their weaknesses
- Get their own professional profile booklet and all seminar materials
- It will change their understanding of themselves and others
- Get grounded in the Disciplines of Life that make people successful and that help them to build better relationships
- Get more understanding in the aspects of human behavior of those around them
- **AND MUCH MORE >>>>**

They will enjoy more **productive relationships** with people at church, at home, or in everyday life.

*Don’t miss this opportunity to let your staff find out
what **makes people tick** and what **ticks people off!***
