Success & Leadership Coach

"Transforming Thinking & Behavior for Success"

Dear Fellow Laborer for Christ,

Greetings in the Name that is above every name – **Jesus Christ**. I trust you and your church family are well and enjoying the blessings of the Lord.

I'm Dr. Kenneth Hammonds, former Director of Education and Training at West Angeles Church of God in Christ, pastored by Bishop Blake. West Angeles Church is a dynamic ministry in Los Angeles, CA with over 18,000 members. I was an executive staff member of West Angeles for over 17 years and now have expanded my own ministry as a **Christian Success and Leadership Coach**.

Bishop Blake has endorsed my ministry with the following statement: *"For 17 years Dr. Hammonds has served this organization with distinction and dignity; and he has been instrumental in teaching and developing thousands of individuals to grow and fully develop in the area of their God-given calling. His innovative and creative ideas helped to propel our rapid growth here at West Angeles."*

I'm in one of the most exciting and rewarding occupations on earth. I'm a certified Success and Leadership Coach for Christians. I am also an ordained minister, and a caring and provocative presenter. I coach Pastors, leaders, volunteers, and laity either privately or in group sessions. I understand the challenges of leadership development and the struggles in personal development.

I offer group and leadership coaching in a wide range of workshops and seminars in the areas of **Leadership, Personal Success, Personality Profile Assessments, Staff Assessments, Discovering Your Destiny, and Christian Living**. My leadership workshops coach leaders regarding how to become more productive; how to understand and lead people of different personalities; and how to set goals and achieve ministry objectives. I am fulfilling the ministry imperative the Lord has given me, *"Help organize my people for success!"* An overview of some of my more popular workshops is enclosed.

I would appreciate speaking with you about your congregational or leadership development needs. I'm sure you will appreciate my presentations and my coaching style, which imparts both information and inspiration. I'm said to have a style that combines spiritual depth, humor, and joy in the Spirit.
