## LIFE CHANGING MEN'S SEMINARS

Dr. Kenneth Hammonds, *Success and Leadership Coach*

There is perhaps **no greater challenge** facing today's Church than **Men's Ministries**. For men affect every area of modern life - home, job, church, community, nation, and the world. *Today's young male problems will be tomorrow's societal evils*. Therefore, Dr. Hammonds' workshops, seminars, and messages seek to find men where there are, but also lift them to where than can be by the Power of God. Indeed, it is the task of the Church to equip men (young and old) for service to home, church and community. All workshops below have depth, humor, reality, and spirituality to equip men to be who they are – **MEN**.
