Leadership & Ministry Development Coach***

Dr. Hammonds is a dynamic professional speaker, New Testament Greek Trainer, and Leadership and Ministry Development Coach. He is a Certified Success Coach and founder of **Kenneth Hammonds Success Enterprises** and his coaching company called **Metanoia Coaching & Training Systems**. (*Metanoia is a pronounced meta-NOI-a. It is a Greek word that means a radical change in thinking; a shift in attitude*).

Dr. Hammonds has been a student and teacher of the Greek New Testament for over 30 years. His appreciation for the Greek New Testament and passion for ministry development helped to spawn his new approach to NT Greek Word Studies in which he seeks to make the riches of the Greek NT (New Testament) available for all those in Christian ministry. He has been developing this approach for over 20 years in teaching, preaching, and in Greek classes.

He now makes this approach available for wider audiences through his book, **Introduction to New Testament Greek Grammar for Word Studies** and his famous “*Greek in a Week*” Workshops in which he teaches the basics of NT Greek Word Studies in ONE WEEK. His Greek grammar book is a practical approach to NT Word Studies teaching students about the tools for locating any word in the Greek NT, identifying its form, and doing introductory level exposition and exegesis for utilizing the better biblical commentaries and theological works. Students have claimed this approach as “life changing” and the greatest experience of their ministry training life.

Dr. Hammonds was Director of Education and Training for over seventeen years before founding his own public speaking and personal development ministry. Dr. Hammonds was the founding director and curriculum developer for four schools at West Angeles Church of God in Christ, including the West Angeles Bible College, and numerous staff development programs where he also implemented training programs for over 100 volunteer leaders.

Dr. Hammonds delivers provoking and motivating presentations for conferences, churches, and Bible Colleges. He is an especially gifted “**provocateur**” trained to bring out the best in people at all social, economic, and spiritual levels.
