

The Perfecting Leadership Success Program for Christian Ministries

“A Comprehensive Transforming Leadership Development Program”

(Developed by Dr. Kenneth Hammonds, Success & Leadership Coach)

Program Aim: *“To Transform and Perfect Thinking & Behaviour for Leadership Success in Personal and Organizational Life”*

Program Structure & Benefits:

This comprehensive PLP leadership program is designed to assist you church leaders and workers to be more productive in ministry and life. It emphasizes development of Personal Skills and People Skills. It shows your leaders:

- ⇒ **How to develop enhance their own personal development for effective leadership**
- ⇒ **How to understand and lead people of different personalities**
- ⇒ **How to develop a personality style that people will want to follow**
- ⇒ **How to be a visionary leader: upholding and enhancing a pastor’s vision**

Through various personal assessments, group projects, and leadership coaching with the integration of Biblical concepts the PLP allows the natural gifts and style of the leader to be shaped into an holistic force for an empowered life of self leadership and ministry leadership. Indeed, it produces a *life leadership*: affecting relationships in family life, social life, church ministry life, and professional life.

Part One: Perfecting Personal Skills in Leadership

Personal Mastery, Gifts & Mission

Part Two: Perfecting People Skills in Leadership

Enhancing Your People Skills & Leadership Style

Part Three: Perfecting Skills for Visionary Leadership
